

**NEWS RELEASE – INCATech announces Jesse Osborne as new Geographic Information System (GIS) Practice Lead for INCATech.**

May 21, 2018

INCATech is pleased to announce our newest addition to the team Jesse Osborne as Geographic Information System (GIS) Practice Lead. In this role Jesse will be advancing the “state of the art” in Geospatial solutions for our Civil as well as Defense and Intel customers. Jesse has a bachelor’s degree in Geography and Environmental Science and a master’s degree in Geographic Information Systems from the University of Maryland, Baltimore County (UMBC). Jesse has served in 17 different agencies & organizations in the federal government’s defense, scientific, intelligence, and law-enforcement communities. Jesse has spent his career in several roles ranging research scientist, project manager and geospatial-intelligence analyst. With his vast skill set spanning the disciplines of remote sensing science, geographic science, computer science, statistics and data science, he will prove to be powerful addition to the INCATech team.

*INCATech is an SBA 8(a) certified Woman Owned Small Business that has provided innovative technology to U.S. government and commercial customers for nearly a decade.
