

GSA 8(a) STARS III

INNOVATIVE SOLUTIONS FOR CRITICAL MISSIONS

GSA's 8(a) STARS III, is a multiple-award, indefinite-delivery/indefinite quantity (IDIQ) Governmentwide Acquisition Contract (GWAC) engineered to provide cutting-edge technology solutions to federal agencies from award winning 8(a) small businesses:

- \$50B program ceiling with a five-year base period and one three-year option, 8(a) STARS III allows for long-term planning of large-scale program requirements while strengthening opportunities for 8(a) small businesses.
- Enables you to access 8(a) firms through an established contract vehicle instead of traditional, open market methods - saving time and taxpayer money.
- Offers fixed price, time and materials, labor hour, and blended task order types; providing greater flexibility in procuring IT service solutions to meet your mission requirements.
